**DECLARATION OF JAMES NUOVO,**  
**M.D. IN SUPPORT OF PETITION FOR**  
**ORDER TO SHOW CAUSE AND**  
**ORDER COMPELLING COMPLIANCE**  
**WITH INVESTIGATIONAL SUBPOENA**

Date:

Time:

Dept: 302

Judge: Hon. Ethan P. Schulman

Trial Date: TBA

Action Filed: June 12, 2019

23 I, JAMES NUOVO, M.D., declare under penalty of perjury that the following matters are  
24 true and correct:

25 1. I am a licensed California physician with a specialization in Family Medicine. I  
26 received my medical degree from the University of Vermont College of Medicine in 1980. I did  
27 an internship and residency in family medicine at Madigan Army Medical Center (1980-1983). I  
28

1 am board-certified in family medicine by the American Board of Family Medicine. I hold the  
2 position as Professor and Residency Program Director at the University of California, Davis  
3 Department of Family and Community Medicine. A true and correct copy of my *Curriculum*  
4 *vitae* is attached to this declaration as Exhibit A.

5  
6 2. I was asked to be an expert medical consultant to the Medical Board of California for  
7 the purpose of reviewing vaccination exemptions issued by Michael F. Allen, M.D. to school-  
8 aged children. I reviewed a complaint sent to the Medical Board from Wendy M. Cerny, MD, an  
9 Assistant Chief of Pediatrics at Kaiser Permanente in Roseville. Dr. Cerny stated in an email  
10 dated May 17, 2018: "I have gotten more names of patients at our clinic who have gotten  
11 medically inappropriate vaccine exemptions since we last talked." This complaint included a  
12 letter dated April 24, 2018 signed by Dr. Michael F. Allen. It states: "[Redacted name] is a  
13 patient of mine. [Redacted name] is permanently medically exempt for all immunizations,  
14 including but not limited to: DTaP, Tdap, Td, T, Polio, Hepatitis B, Hepatitis A, Hib,  
15 Pneumococcal, MMR, HPV, Varicella, Meningococcal, Influenza and any other immunization  
16 deemed necessary, now and/or in the future." Further, this record states: "The physical condition  
17 of this child, and the medical circumstances related to this child are such, that immunizations  
18 constitute a greater risk than benefit for this individual. This is based in part upon her own  
19 history of a vaccine reaction, multiple environmental and food allergies, eczema and MTHFR  
20 mutation and her own neurologic vulnerability as well as her maternal family history of an  
21 autoimmune disorder, hypogammaglobulinemia, ADHD, medication, food and environmental  
22 allergies, asthma and mental health disorders. This is further supported by a paternal history of  
23 multiple autoimmune disorders, asthma, food and environmental allergies and mental health  
24 disorders." Based upon my review, I concluded that the medical exemption letter issued by Dr.  
25 Allen was either of questionable validity or patently without a medical basis. The standard of  
26  
27  
28

1 care requires that a medical exemption from vaccination be vaccine-specific and be supported by  
2 a medical indication. Issuance of a medical exemption from all vaccines and/or without a  
3 medical indication falls below the standard of care for a physician.

4         3. I am informed and believe that Kaiser Foundation Hospitals (KFH) is in possession of  
5 the unredacted copy of the exemption described above, as well as that child's pediatric chart.  
6 Based on my review, and the concerns discussed above regarding the validity of the exemption  
7 from required vaccinations, it is my conclusion that the unredacted exemption and pediatric chart  
8 showing the child's medical and immunization history are necessary to identify the child and to  
9 determine whether the exemption had a medical basis in the child's past history and treatment.

10         4. Based upon my education, training and experience, I am aware that California law  
11 requires vaccination of school-age children before they enroll in a grade span, i.e., birth to  
12 preschool, kindergarten to grade six and grades seven through twelve. While there may be  
13 precautions and, in some cases contraindications, to vaccination, these are not common and there  
14 is no precaution or contraindication that would apply to all vaccines permanently.

15         5. The risk to the public health posed by unvaccinated children is several-fold. The  
16 unvaccinated child is at risk for vaccine-preventable diseases. As examples, pertussis can be  
17 severe in small children and measles can cause complications, including pneumonia, dehydration  
18 and encephalitis. The unvaccinated child can pass vaccine-preventable diseases to children below  
19 vaccination age and other unvaccinated children and adults. There is also a public cost. Each  
20 case of measles can cost public health department thousands of dollars to evaluate and respond.

21         6. By reason of my professional activities, I am aware that SB 277, which amended  
22 Health and Safety Code 120325, changed immunization requirements for children entering child  
23 care or school in California as of January 1, 2016, by eliminating personal beliefs exemptions for  
24 vaccines required for schools or child-care facilities. I am also aware that, since then, medical  
25  
26  
27  
28

1 exemptions have increased for children attending kindergarten from 0.2% in 2015-2016 to 0.5%  
2 in 2016-2017 and to 0.7% in 2017-2018.

3 ([https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/Immunization](https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/Immunization/2017-2018KindergartenSummaryReport.pdf)  
4 [/2017-2018KindergartenSummaryReport.pdf](https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/Immunization/2017-2018KindergartenSummaryReport.pdf)). Medical exemptions have increased for children  
5 attending 7<sup>th</sup> grade from 0.1% in 2015-2016 to 0.4% in 2016-2017 and 2017-2018  
6 (<http://eziz.org/assets/docs/shotsforschool/2017-18CA7thGradeAssessmentSummary.pdf>).  
7

8 7. I reviewed a vaccine exemption written by Dr. Allen to exempt [redacted name], from  
9 required vaccinations. In my review, I found it significant that Dr. Allen is not a pediatrician, is  
10 not the primary care provider for [redacted name]. The exemption for this child was permanent  
11 and global, applying to all vaccinations. Dr. Allen lists reasons for the exemption, which include  
12 allergic illness, "neurologic vulnerability" and vaccine reaction or injury (of the child or in his  
13 family history). Allergic and neuropsychiatric illnesses are not generally accepted  
14 contraindications to vaccination. An adverse vaccine reaction could constitute a precaution or  
15 contraindication, but only to the specific vaccine that caused the adverse reaction and not to all  
16 vaccines. To document an existing or family history of a condition or reaction without  
17 specification of the condition, the person who had the condition and their relation to the patient,  
18 and the specific vaccine that the condition or reaction related to, is not standard medical charting.  
19 The exemption issued by Dr. Allen is permanent and global, which is medically unlikely, in that  
20 there is no component common to all vaccines. In addition, the exemption does not appear to be  
21 supported by information received from the KFH pediatrics department. Consequently, access to  
22 the unredacted exemption is necessary to discover the identity of the child and enable the Board  
23 seek the child's pediatric chart from KFH by release or subpoena and thereby determine whether  
24 the child's personal medical or family history support the exemption issued by Dr. Allen.  
25  
26

# CURRICULUM VITAE

---

Jim Nuovo, M.D.

**Work Address:** University of California, Davis, School of Medicine,  
Department of Family and Community Medicine  
4860 Y Street, Suite 2300  
Sacramento, CA 95817  
**Phone:** (916) 734-3248  
**Fax:** (916) 734-2837  
**Email:** jnuovo@ucdavis.edu

## Education:

1972-1975: University of Vermont, BA, Summa Cum Laude  
1976-1980: University of Vermont, College of Medicine  
1980-1983: Internship/Residency, Department of Family Medicine,  
Madigan Army Medical Center, Fort Lewis, WA

## Licensing/Credentialing:

Washington State Medical License: 1983-1992  
California State Medical License: 1992-present  
Board Certification: American Board of Family Medicine, 1993.  
Recertified 1999, 2006, 2013

## Military Service

1980-1986: Captain, U.S. Army Medical Corps, Madigan Army Medical  
Center, Tacoma, Washington, and DeWitt Army Community  
Hospital, Fort Belvoir, Virginia  
1983-1984: Treatment Platoon Leader, 1st Forward Support Battalion  
9th Infantry Division, Fort Lewis, Washington  
1986-1987: Major, U.S. Army Medical Corps, Madigan Army Medical  
Center, Tacoma, Washington

## Academic Appointments:

1984-1986: Clinical Assistant Professor, Department of Family Medicine,  
F. Edward Hebert School of Medicine, Bethesda, MD.  
1986-1992: Clinical Assistant Professor, Department of Family Medicine,  
University of Washington School of Medicine.  
1992-1997: Assistant Professor, Department of Family & Community  
Medicine, University of California, Davis.  
1997-2005: Associate Professor, Department of Family & Community  
Medicine, University of California, Davis.  
2005-present: Professor, Department of Family & Community Medicine, UC  
Davis.

## **Administrative Activities:**

1986: Clinical Assistant Professor, F. Edward Herbert School of Medicine  
1987-1992: Assistant Professor, University of Washington, Department of Family Medicine  
1990-1992: Residency Director, University of Washington, Department of Family Medicine  
1992-2004: Residency Director, Department of Family & Community Medicine  
1992-2001: Director, UC Davis Network of Affiliated Family Medicine Residency Programs  
2001- 2004: Director/UC Davis Network Research Consortium  
2003-2014: Medical Officer of the Day (MOD)/UCDHS  
2003-2010: Founding Director, UCDHS Chronic Disease Management Program  
2003- 2004: Acting Assistant Dean & Designated Institutional Official for Graduate Medical Education, UCDMC  
2004-2016: Vice Chair, Department of Family & Community Medicine  
2004- 2006: Assistant Dean & Designated Institutional Official for Graduate Medical Education, UCDMC  
2006-2018: Associate Dean & Designated Institutional Official for Graduate Medical Education  
2007- 2008: Interim Associate Dean for Student Affairs  
2008-2009: Associate Dean for Student Affairs and Career Advising  
2010-2011: Associate Dean for Student Affairs  
2017-2108: Interim Chair & Residency Program Director/Department of Family & Community Medicine  
2018-present: Professor & Residency Program Director/Department of Family & Community Medicine  
Designated Institutional Official/Adventist Health of Ukiah Valley

## **Committees:**

### **Department/Section**

1992-Present: Graduate Medical Education Committee  
1994-Present: Chair, Volunteer Clinical Faculty Review Committee  
2004-2016: Vice Chair, Department of Family & Community Medicine

### **Other University**

1992-1994: Pharmacy and Therapeutics Committee  
1994-Present: Affiliation Advisory Committee  
1996-1998: Graduate and Continuing Medical Education Sub-Committee for LCGME  
1997-Present: Graduate Medical Education Position Paper Sub-Committee  
1998-1999: Compensation Advisory Committee  
2003-2004: Acting Assistant Dean for Graduate Medical Education  
2003-Present: Chair, Graduate Medical Education Committee  
2003-2010: Founding Director, Chronic Disease Management Center

2004:	LCME Sub-Committee
2004-2007:	Medical School Interview Committee
2008-2011:	Committee on Student Progress

### Other Non-University

1997:	Member, Peer Reviewer, Graduate Training in Family Medicine. Review Committee, Department of Health & Human Services, Rockville, Maryland
1993-Present:	Consultant, Medical Expert for the Medical Board of California
1997-2000:	Consultant for the Department of Managed Healthcare
1997-2002:	Officer, Assistant Editor, American Family Physician
2004-Present:	Member, Medical Board of California Task Force on Offshore Schools
2007:	Expert in the Issue of Chronic Disease Management, Governor's Panel on Health Care Policy Reform
2007-Present:	Member, Medical Board of California Expert Review Committee for 2168 Policy
2018-Present:	University of California Representative to the Physician's for a Health California/Graduate Medical Education Advisory Council/Proposition 56 distribution.

## **Publications: Additional Information**

### **Recognition**

**Newsline**, Federation of State Medical Boards of the United States, Inc. Included and article about "California Medical Board Promotes Telemedicine to Improve Access to Quality Care and to Reduce Health Care Disparities in Underserved Areas." September/October 2009, page 3

**Medical Board of California Newsletter**, article about "Medical Board of California Promotes Telemedicine to Improve Access to Quality Care and to Reduce Disparities in Diabetes through Telemedicine for Underserved Communities." October 2009, Volume 112 page 1 and continued on page 5.

### **Posters**

11/2012 Compliance with Duty Hours and Fatigue Management Requirements, Group on Regional Medical Campuses, Association of American Medical Colleges. 2012 AAMC Annual Meeting in San Francisco, California. **Nuovo J**, Dimand P, Munroe J- Big Tomato Tech, Andrews F - Interactive Game Designer.

03/2013 Annual Integrating Quality Symposium: Linking Educational and Clinical Excellence. Establishing Electronic Medical Record Competency Testing for UC Davis PGY-1 Residents. **Nuovo J**, Hutchinson D, Balsbaugh T, Keenan C. University of California, Davis.

### **Applications - Phones & Computers**

- 2011 eHandoff, Medical handoff. **Nuovo J**, Dimand P, Munroe J, Big Tomato Tech.
- 2012 Clock Jockey, Duty hour monitoring. **Nuovo J**, Dimand P, Munroe J, Big Tomato Tech.
- 2014 Ecotime, Duty hour monitoring. **Nuovo J**, Maurice T, Chilcott S, Minear M, Johnson V, Lippuner E, Shaw K.

## Honors and Awards

1975 Summa Cum Laude, University of Vermont, Burlington, Vermont  
1985 Outstanding Scientific Paper Award, AAFP 37th Assembly,  
Anaheim, California  
1986 Teacher of the Year, Department of Family Practice, DeWitt Army  
Community Hospital, Fort Belvoir, Virginia  
1986 Army Commendation Medal, Fort Belvoir, Virginia  
1987 Outstanding Faculty Award, Department of Family and Community  
Medicine, University of California, Davis, Sacramento, California

## Grants and Contracts

### Grants Completed

**Title:** Song-Brown Capitation Application (funded annually)  
**Agency:** State of California, Office of Statewide Health Planning and  
Development  
**Grant No.:**  
**Amount:** \$154,845  
**Date(s):** 07/01/1992 - 06/30/2001  
**PI/Co-PI:** Principal Investigator  
**Type:** Research  
**Status:** Completed  
**Title:** Graduate Training in Family Medicine  
**Agency:** DHHS, Health Services and Resources Administration, Division of  
Medicine  
**Grant No.:**  
**Amount:** \$374,951  
**Date(s):** 07/01/1995 - 06/30/1998  
**PI/Co-PI:** Principal Investigator  
**Type:** Research  
**Status:** Completed  
**Title:** Graduate Training in Family Medicine  
**Agency:** DHHS, Health Services and Resources Administration, Division of  
Medicine  
**Grant No.:**  
**Amount:** \$464,038  
**Date(s):** 07/01/1998 - 06/30/2001  
**PI/Co-PI:** Principal Investigator  
**Type:** Research  
**Status:** Completed  
**Title:** Tamoxifen Prevention: Is It Acceptable to Women at Risk?  
**Agency:** California Breast Cancer Research Program  
**Grant No.:** 5 PB-0110  
Grants and Contracts 2  
**Amount:** \$321,373  
**Date(s):** 07/00/1999 - 07/00/2001  
**PI/Co-PI:** Co-Investigator, Joy Melnikow, M.D., M.P.H. (Principal Investigator)

**Type:** Research  
**Status:** Completed  
**Title:** Tamoxifen Prevention of Breast Cancer: Acceptance and Cost-Effectiveness  
**Agency:** National Cancer Institute  
**Grant No.:** R01 CA86043  
**Amount:** \$577,591  
**Date(s):** 04/01/2000 - 03/31/2003  
**PI/Co-PI:** Co-Investigator, Joy Melnikow, M.D., M.P.H. (Principal Investigator)  
**Type:** Research  
**Status:** Completed  
**Title:** Song Brown Residency Programs, Special Project: Telemedicine and Rural Health  
**Agency:** State of CA, Office of Statewide Health Planning and Development, CA Health Manpower Policy Comm.  
**Grant No.:**  
**Amount:** \$66,540  
**Date(s):** 07/01/2000 - 06/30/2002  
**PI/Co-PI:** Principal Investigator  
**Type:** Research  
**Status:** Completed  
**Title:** Academic Administrative Units in Primary Care  
**Agency:** DHHS, Health Resources & Services Administration, Division of Medicine  
**Grant No.:**  
**Amount:** \$246,677  
**Date(s):** 01/01/2001 - 12/31/2003  
**PI/Co-PI:** Co-Investigator, Klea Bertakis, M.D., M.P.H. (Principal Investigator)  
**Type:** Research  
**Status:** Completed  
**Title:** Residency Training in Family Medicine: Quality of Care Improvement  
**Agency:** DHHS, Division of Medicine, Bureau of Health Professions Grants and Contracts 3  
**Grant No.:**  
**Amount:** \$420,000  
**Date(s):** 07/01/2001 - 06/30/2004  
**PI/Co-PI:** Principal Investigator  
**Type:** Research  
**Status:** Completed  
**Title:** Academic Administrative Units Support: Development of a Network Family Practice Research Consortium  
**Agency:** DHHS, Division of Medicine, Bureau of Health Professions  
**Grant No.:**  
**Amount:** \$266,411  
**Date(s):** 09/01/2001 - 08/31/2004  
**PI/Co-PI:** Co-Investigator, K. Bertakis, MD., MPH. (Principal Investigator)  
**Type:** Research  
**Status:** Completed  
**Title:** Song-Brown Residency Program, Special Project, Obstetrics Quality of Care Project  
**Agency:** State of California, Office of Statewide Health Planning and Development

**Grant No.:****Amount:** \$100,000**Date(s):** 07/01/2002 - 06/30/2004**PI/Co-PI:** Principal Investigator**Type:** Research**Status:** Completed**Title:** Take Care to Learn: Teaching Clinical Care Management**Agency:** Robert Wood Johnson Foundation, through the Partnership for Quality Education**Grant No.:****Amount:** \$315,000**Date(s):** 01/01/2002 - 12/31/2003**PI/Co-PI:** Principal Investigator**Type:** Research**Status:** Completed**Title:** Song-Brown Family Physician Training Program

Grants and Contracts 4

**Agency:** California Office of Statewide Health Planning and Development, California

Health Manpower Policy Co

**Grant No.:** 02-54235**Amount:** \$103,230**Date(s):** 07/01/2002 - 06/30/2005**PI/Co-PI:** Principal Investigator**Type:** Research**Status:** Completed**Title:** Song-Brown Family Physician Training Program**Agency:** California Office of Statewide Health Planning and Development, California

Health Manpower Policy Co

**Grant No.:** 03-3018**Amount:** \$137,640**Date(s):** 07/01/2003 - 06/30/2006**PI/Co-PI:** Principal Investigator**Type:** Research**Status:** Completed**Title:** Achieving Competence Today II (ACT)**Agency:** Robert Wood Johnson Foundation**Grant No.:** 8016**Amount:** \$25,000**Date(s):** 10/01/2004 - 06/30/2005**PI/Co-PI:** Principal Investigator**Type:** Research**Status:** Completed**Title:** Residency Training in Family Medicine: Aligning Curriculum with Core Competencies**Agency:** DHHS, Division of Medicine, Bureau of Health Professions**Grant No.:****Amount:** \$522,512**Date(s):** 07/01/2004 - 06/30/2007**PI/Co-PI:** Principal Investigator**Type:** Research

**Status:** Completed

Grants and Contracts 5

**Title:** Residency Training in Primary Care

**Agency:** DHHS, Health Resources and Services Administration

**Grant No.:** D58HP00231

**Amount:** \$564,308

**Date(s):** 07/01/2004 - 06/30/2007

**PI/Co-PI:** Principal Investigator

**Goal:** 1. To redesign the Residency Program's evaluation system to determine if residents are achieving learning objectives and ACGME core competencies, and 2. to develop, implement, and evaluate new behavioral medicine curriculum that teaches how to promote health behavior changes with patients.

**Type:** Research

**Status:** Completed

**Title:** Development of an Asthma patient registries and point of care tools in the EMR

**Agency:** Chester Robbins Endowment: Asthma

**Grant No.:**

**Amount:** \$30,000

**Date(s):** 07/01/2004 - 06/30/2006

**PI/Co-PI:** Principal Investigator

**Type:** Research

**Status:** Completed

**Title:** Patient Readiness to Change: targeted Interventions for Providers and Patients with Diabetes

**Agency:** California HealthCare Foundation

**Grant No.:** 04-1320

**Amount:** \$200,000

**Date(s):** 01/01/2005 - 04/30/2006

**PI/Co-PI:** Principal Investigator

**Type:** Research

**Status:** Completed

**Title:** UCDHS Chronic Disease Management Center

**Agency:** UCD Health System

**Grant No.:**

**Amount:** \$375,110

Grants and Contracts 6

**Date(s):** 07/01/2005 - 06/30/2006

**PI/Co-PI:** Principal Investigator

**Type:** Research

**Status:** Completed

**Title:** UCDHS Chronic Disease Management Center

**Agency:** UCD Health System

**Grant No.:**

**Amount:** \$448,034

**Date(s):** 07/01/2006 - 06/30/2007

**PI/Co-PI:** Principal Investigator

**Type:** Research

**Status:** Completed

**Title:** Pay for Performance

**Agency:** UCD Health System

**Grant No.:**

**Amount:** \$59,635

**Date(s):** 07/01/2006 - 06/30/2007

**PI/Co-PI:** Principal Investigator

**Type:** Research

**Status:** Completed

**Title:** Pay for Performance

**Agency:** UCD Health System

**Grant No.:**

**Amount:** \$41,179

**Date(s):** 07/01/2007 - 05/30/2008

**PI/Co-PI:** Principal Investigator

**Goal:** To develop and distribute patient registries, reports and report cards for UCDHS primary care physicians on patient care measures include in the Pay for Performance program. Reports will be designed to provide information on patients needing follow-up care that will result in improved Pay for Performance outcome measures.

**Type:** Research

**Status:** Completed

**Title:** UCDHS Chronic Disease Management Center

Grants and Contracts 7

**Agency:** UCD Health System

**Grant No.:**

**Amount:** \$445,068

**Date(s):** 07/01/2007 - 06/30/2008

**PI/Co-PI:** Principal Investigator

**Goal:** 1) To improve the health of patients with chronic illnesses seen in the UC Davis Health System and 2) to develop a more effective and cost-efficient system of delivering care to patients with chronic illnesses. Diseases targeted initially include diabetes, asthma, congestive heart failure, and coronary artery disease.

**Type:** Research

**Status:** Completed

**Title:** Diabetes Self Management education via Telemedicine for Rural and Underserved Populations

**Agency:** California Medical Board

**Grant No.:**

**Amount:** \$1,213,521

**Date(s):** 07/01/2009 - 06/30/2010

**PI/Co-PI:** Principal Investigator, J. Nuovo (Principal Investigator)

**Goal:** The UCDHS Chronic Disease Management Program, in collaboration with the UCDHS Center for Health and Technology, is developing a telemedicine model for the provision of modern diabetes self-management education and training classes for patients with diabetes living in a 33 county area of rural, underserved communities in northern and central California.

**Type:** Research

**Status:** Completed

**Title:** Increasing Rural Community Engagement in Telehealth Research

**Agency:** NIH / National Center for Research Resources

**Grant No.:** UL1RR024146

**Amount:** \$599,019

**Date(s):** 11/01/2009 - 10/31/2011

**PI/Co-PI:** Co-Investigator, L. Berglund (Principal Investigator)

**Goal:** The goal of this project is to test a model for improving healthy behaviors among person with diabetes using telehealth encounters with nurse health coaches for patients in rural and/or medically-underserved communities.

**Type:** Research

Grants and Contracts 8

**Status:** Completed

### Courses

1996	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
1997	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
1997	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
1998	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
1998	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
1999	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
1999	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
2000	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
2000	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
2001	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
2001	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
2002	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93
2003	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93, Percentage Effort=16
2003	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93, Percentage Effort=16
2004	Winter Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93, Percentage Effort=16

2004	Spring Quarter, Course Number=FAP400, Patient Evaluation, Units=2, Undergraduate Count=0, Graduate Count=93, Percentage Effort=16
2005	Winter Quarter, Course Number=MDS411, Doctoring 1, Undergraduate Count=0, Graduate Count=0
2005	Spring Quarter, Course Number=MDS411, Doctoring 1, Undergraduate Count=0, Graduate Count=0
2006	Winter Quarter, Doctoring 1, Undergraduate Count=0, Graduate Count=0
2006	Spring Quarter, Doctoring 1, Undergraduate Count=0, Graduate Count=0
2007	Winter Quarter, Doctoring 1, Undergraduate Count=0, Graduate Count=0
2007	Spring Quarter, Doctoring 1, Undergraduate Count=0, Graduate Count=0
